### Notice to Insured and Agent

This Statement of Values has been prepared on your behalf using information available in our files. The building values represent the expiring policy's Statement of Values amounts multiplied by an increased cost of construction factor of 6.0% rounded up to the next \$100. Please review this Statement of Values to confirm its accuracy. Signature below by the Agent and/or the Insured will be considered confirmation that the values have been reviewed with the insured and are correct to your best knowledge and belief.
